

OLIVÉ MULTI-USE WIPES

HANDY WET WIPES

Technical Data Sheet - Version 1.0 – June'18

PRODUCT DESCRIPTION:

OLIVÉ MULTI-USE WIPES are industrial cleaning wipes to quickly and effectively remove construction sealants and adhesives residues from hands, tools and various surfaces.

Dissolve and clean oils, grease, grime, asphalt and lubricants from hands, tools, clothes and other surfaces.

Remove fresh PU foam, paints (both solvent and water based), inks and much more.

MAIN BENEFITS:

- Convenient and efficient.
- Doesn't scratch or mark surfaces.
- Dermatologically tested. Contains Aloe Vera and does not damage skin.
- Antibacterial. Protects against infection by micro-organisms.
- Without parabens.
- Leaves the hands non-greasy. Moisturising effect. Does not lead to cracking or dryness.

FIELDS OF APPLICATION:

Suitable for the removal of paints, adhesive, PU foam, sealants, grease, oil, lubricants, ink, permanent marker, etc. from hands, tools and working surfaces.

Commonly used in windows, frames, skirting boards, glass, worktops and most hard surfaces, floors and carpets, brushes, tools and paint rollers, etc.

Cleaning and refreshing of old painted surfaces and connection joints.

Cleans hands and skin.

PACKAGING INFORMATION:

Plastic pot, 100 wipes in the pot.

STORAGE:

Storage time 24 months when stored in a closed package and dry places at temperatures +5 °C to +30 °C.

OLIVÉ MULTI-USE WIPES

Version 1.0 – June '18

TECHNICAL SPECIFICATION:

Form	Impregnated cloth
Colour	Clear liquid on white cloth
pH (10% aqueous solution)	Neutral
Odour	Pleasant
Density at 20°C	Approx. 1.0 g/cm ³ (liquid)
Solids content	1.2 %

DIRECTIONS FOR USE:

Application conditions:

For better results, remove all stains immediately.

Before using the product, test its suitability in a small or hidden area, specially on plastic surfaces, painted and varnished substrates.

May not be suitable for some plastics, delicate surfaces and fabrics.

Close the pot tightly every time after use to keep the humidity.

Always dry fluid from hands prior to handling any sensitive items or equipment.

Application instructions:

- To open, pull the cap off, remove the plastic seal, and pull the top end of the wipe from the middle of the roll by guiding it through the opening in the cover.
- Place the cover back to the pot and tear off the wipe from the perforated area.
- Leave the end of the next wipe in the plug and close tightly.
- In order to soften paint stains, place the wipe for a few minutes on the stain and rub off the stain.
- After use, discard the wipe into a suitable container.

Safety:

Keep out of the reach of children. Keep out of heat sources and open flame. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice if symptoms persist.

The information regarding the safety of the product is available on safety data sheet (SDS). Before using the product, we recommend to read carefully the SDS and the safety labels.
