DIRECTIONS FOR USE:

Application conditions:

For better results, remove all stains immediately.

Before using the product, test its suitability in a small or hidden area, specially on plastic surfaces, painted and varnished substrates.

May not be suitable for some plastics, delicate surfaces and fabrics.

Close the pot tightly every time after use to keep the humidity.

Always dry fluid from hands prior to handling any sensitive items or equipment.

Do not carry product impregnated cleaning cloths in trouser pockets.

Application instructions:

- To open, pull the cap off, remove the plastic seal, and pull the top end of the wipe from the middle of the roll by guiding it through the opening in the cover.
- Place the cover back to the pot and tear off the wipe from the perforated area.
- Leave the end of the next wipe in the plug and close tightly.
- In order to soften paint stains, place the wipe for a few minutes on the stain and rub off the stain.
- After use, discard the wipe into a suitable container.
